RePAC's membership and workshop fees support our ability to provide services to all Rehoboth residents. Fees are not intended to exclude participation by anyone with financial constraints that prohibit full payment. We offer two alternatives to those with limited income. Eligibility verification is required.

Deferred Payment Plan

Membership

The fee for RePAC membership may be paid in two equal installments:

- The first payment is due on the date of signup or renewal (i.e. the first day of the membership year)
- The second installment is due 6 months into the membership year

Both payments must be received on time for privileges to be extended

Workshops

Workshop fees of \$25 or more may be paid in two equal installments:

- Half due at registration
- Half due upon completion
- Workshop books are priced roughly at cost, and must be paid in full when registering

Both registration payments must be received before being certified as having completed the workshop

Fee Reduction

Those unable to afford full payment over an extended schedule may apply for fee reductions as follows:

- Senior Citizens (65 and older) can apply for a reduction of up to 75% of their full membership fee
- Limited income applicants can apply for a reduction of up to 75% on their full membership fee and up to 50% on classes over \$25.
