Mr. Solomon:

On January 11, 2010, the Town of Rehoboth Board of Selectmen announced at its public meeting that a scheduled meeting between you and Rehoboth Public Access Corporation ("RePAC") management and staff has been arranged for Friday, January 15, 2010.

Neither RePAC's management and staff nor I have any knowledge of such meeting date and have no idea where, and by whom, this meeting date originated.

To avoid any public misunderstanding in this matter, kindly advise the Board of Selectmen of my statements contained in the letter to you dated January 6, 2010 (Priority Mail Confirmation: 0309 1140 0002 2407 0379).

As I stated previously, once I have reviewed your written summary of issues for discussion, I will welcome the arrangement of a mutually agreeable conference date.

Sincerely yours,

Hans A. Stoeckler
