Mr. Enos:

In response to your letter dated February 16, 2010, please be advised that RePAC has reviewed your request for copies of the following recordings:

- Item 1: All audio and/or video recordings relative to an event at the home of John P. Ferreira located at 95 Cameron Way, Rehoboth, on August 12, 2009;
- Item 2: All audio and/or video recordings relative to the Rehoboth Board of Selectmen's meeting on August 31, 2009; and

A. As to item 1, there were no audio and/or video recordings made by RePAC personnel at the home of John P. Ferreira on August 12, 2009. An audio/video recording was made of an interview by Sgt.
